**PRESBYTERIAN  
DISASTER ASSISTANCE**

**OUT OF CHAOS, HOPE**

Presbyterian Disaster Assistance witnesses to the healing love of Christ through caring for communities adversely affected by crisis and catastrophic events. Active PDA responses include Hurricanes Sally

and Laura, and the wildfires on the West Coast. Through PDA's partnership with Florida Presbyterian Disaster Assistance Network (FLAPDAN), they have responded to short and long term recovery efforts from multiple hurricanes throughout the state.

For decades Montgomery has been a place where youth have made decisions to follow Christ and where adults have had their faith strengthened. This year we have seen God's faithfulness through the constant donations from our Presbyterian family. Those donations are evidence that it is God's will to keep Montgomery alive.

We know that as God's family, we can keep Montgomery afloat as we increase our programming and revenue stream to become financially sustainable. COVID-19 didn't destroy us, because we are meant to continue our ministry through our life-changing programs.

**Thanks to our donors and volunteers**
