

Montgomery's 2nd Annual Holiday Pie Cake and Coffee Fundraiser

All of us at Montgomery want to say "THANK YOU!", to The Presbytery of St. Augustine and to everyone who helped make last year's cake and coffee fundraiser so successful. In last year's limited campaign, we were able to sell 21 cakes and 23 bags of coffee. Those donations were instrumental to Montgomery's success during our difficult 2019, and for that we are extremely grateful. We would not be here without all of your amazing support!

We Have Pies for Thanksgiving!

This year, we are excited to expanding our offerings to include Pies and a special Thanksgiving Coffee Blend in collaboration with Keystone's own Firepower Coffee Roasters. Fortunately, we will be able to use this year's proceeds to further the vision for growing business, not to keeping the lights on, praise the Lord! The proceeds from this year's fundraiser will go towards upgrading our dining room service flatware, linens, and equipment. As we continue to grow and refine the culinary experience for guests at Montgomery, addressing our need for vital equipment so that our staff are able to provide a consistent and excellent standard of service to match our now pristine and revitalized dining hall, for groups both small and large. This is an area of need as our current equipment does not allow us to provide for large groups, whose attendance approach our maximum capacity.

This equipment will allow us to operate efficiently at maximum capacity, something that has severely limited our revenue capabilities in the past. We are thankful for your support in the vision and mission of Montgomery!
