

Hodges Boulevard Presbyterian Church
Part-time Video Technician

Hodges Boulevard Presbyterian Church, located in Jacksonville Florida, has an opening for a part-time Video Technician. The successful candidate will be a subject matter expert on videography equipment, systems and content production to stream live and recorded video and sound for Church events/services/meetings. The person in this position will also recruit and train support volunteers as well as coordinate schedules for the volunteers ensuring appropriate coverage for all events. We expect the person to be knowledgeable and skillful in researching, recommending and managing all equipment necessary for streaming and recording worship services and educational programs from the church, and have a creative skillset to create professional and engaging video content in coordination with other organizations within the church. This is a part time position, somewhat flexible schedule, subject to background check, including drug screening. Hodges Boulevard Presbyterian Church is an equal opportunity employer.

If you are interested and believe you meet these initial requirements, please submit your resume to:

A detailed position description will be provided upon request following receipt of your resume.
