

From the beginning, God has gifted us with the blessings of nature - its wildlife, plants, water, air, the heavens, and our very selves.

“...And It Was Good.”

Summer Speaker Series at FPC

Sundays at 9:50 am in Jim Thomas Hall

Explore ways to appreciate and cherish our island habitat as we learn about butterfly gardens, bees, sea turtles, Eagan's Creek, our historic trees and more.

Speakers from both the congregation and the community will present. There will also be activities for families to do together at home.

The Resource “Earth Prayers” by Elizabeth Roberts is available for purchase.
