Dear Network Partners:

We recognize that there are many solicitations from organizations eager to help get support to Cuba at this time. The Steering Committee urges partners who wish to send financial donations specifically to help ease the pain of the current crisis, to do so through **Presbyterian Disaster Assistance**.

Our Regional Liaisons for the Caribbean, Vilmarie Cintron-Olivier and Rev. Jose Manuel Capella-Pratts, have told us that Rev. Edwin Gonzalez-Castillo, PDA's Associate for Disaster Response in Latin America and the Caribbean, has spoken with the IPRC's General Secretary, Rev. Dora Arce. Within the next few days, Edwin will share more specific information about how to contribute to PDA's efforts to send support to Cuba. We will convey that information to you right away.

In the meantime, [PDA has an ongoing account set up for disaster relief for Cuba](#).

On behalf of the Steering Committee, thank you for your concern and support of the people in Cuba.

Susan Keil Smith and Randy Simpson
Co-conveners
