St. Augustine Presbytery Disaster Assistance Commission
Rhonda Link-Cummings, Chair

The St. Augustine Presbytery Disaster Assistance Commission (SAPDAC) held a called meeting on Monday, September 26, 2022, at 4:00 p.m., as Hurricane Ian approached the coast of Florida. The commission elected Rhonda Link-Cummings as its new chair. Our storm protocol, calling list assignments, and the types of assistance available after a storm were reviewed. As this docket addendum is published, the commission's follow up continues. The chair, the stated clerk, and our board members serving on the Florida Presbyterian Disaster Network (FLAPDAN) are connected to and communicating with the other presbyteries in Florida through FLAPDAN. The commission encourages a generous offering to Presbyterian Disaster Assistance at the upcoming presbytery meeting. This offering will support PDA's work, including assistance to and long term recovery for the areas most affected by Hurricane Ian.
