

**Westminster St. Augustine  
Organist (Part-time) for Worship Services**

Westminster St. Augustine is a faith-based related (PCUSA) continuous care retirement community located near World Golf Village. We are seeking an organist to play for our ecumenical worship services one to three times a month, depending on availability and our needs. This may be a solo position or a shared position among several organists. Renumeration is \$175/worship service. Our organist must be available on Thursdays from 4:15 to 5:15 p.m. at Westminster St. Augustine and spend the necessary time to prepare and practice. Playing for special services (ex: Thanksgiving, Christmas Eve, Holy Week, and Easter) would be optimal, but is not essential. Additional renumeration for occasional on-campus memorial services is possible.

**Responsibilities:**

For Thursday worship services, our organist prepares and plays a prelude and a postlude of their choice that corresponds to the theological theme or scripture of the day. Hymns are chosen in advance by our Chaplain (Presbyterian *Glory to God* Hymnal). When we celebrate Communion, the organist plays quietly during the distribution of the elements.

**General Information:**

We have a new Rodgers Series 235 Digital Organ with an adjustable organ bench. It is a two-manual instrument with a full pedalboard, 28 orchestral voices, 35 main stops, and 99 voice palette stops within four organ styles: American, Eclectic, English Cathedral, French Romantic, and German Baroque.
