

Appendix D-2

Jamaica Ecumenical Mutual Mission

Please receive an update on the Jamaica Ecumenical Mutual Mission summarized from information provided by Mrs. Shernett Smith, Director of JEMM:

Nursery-Egypt Project of the Methodist Church

The castor project began with the development of the nursery in Browns Town, St. Ann. There will be a total of 500 pounds of beans that will be available for the planting of the castor beans.

Acres Under Cultivation

There are acres under cultivation in Mt. Gracious, Portland; Mizpah, Manchester and Nutfield; Islington, St. Mary; Green Acres, St. Catherine; and Caraimill and a church in Portland. Some of these areas have already seen harvests!

Executive Committee

We wish to place on record our heartfelt gratitude for Rev. Dr. Nelson who provided invaluable service on our Executive Board for many years.

All Dental Mission to Jamaica: May 21-27, 2023

The Mobile Dental Lab, affectionately call "Ethel", will roll out for the first time this year, as the Dental Team will serve the community of Portmore. The Dental Team's services will be offered at the Portmore Moravian Church.
