

Exhibit D-1

**Middleburg Administrative Commission's Report to Coordinating Council  
September 13, 2023**

The Middleburg Administrative Commission has completed its work except for closing the corporation. Reverend John Ragsdale is preparing the documents for the dissolution of the Middleburg church as a non-profit corporation. The Church was sold on September 7, 2023. It was sold to a non-profit school, so no rezoning was needed. The property sold for \$525,000, with a down payment of \$225,000. \$300,000 at 7.5 percent will be amortized over 15 years.

The Administrative Commission requests its dissolution upon completion of the closing of the corporation.
