Presbytery Support Committee

Beloved Colleagues:

In keeping with the mission of the Presbytery Of St. Augustine “to support our faith community, so that together we are a greater witness to the gospel of Jesus Christ,” the Presbytery Support Committee (formerly known as the Care and Reconciliation Team) offers support and care to pastors, sessions, Christian educators, staff, and congregations. Its mission is to provide companionship and guidance in times of stress, conflict, grief, or discord. The team also provides resources for encouragement, creativity, connection, acknowledgement, and comfort in times of transition. Team members are also equipped to provide active listening, conflict resolution, mediation, counseling, and pastoral care when requested to do so.

Team members may be called on by the Coordinating Council to provide support as noted above for the benefit of our pastors, congregations, sessions, and other groups and relationships within the presbytery. In addition, the team works alongside the Area Relationship Coordinators (ARCs). In every instance the Support Team works tirelessly to ensure and facilitate confidentiality in its care and support of all persons within our presbytery.

Members of the Support Team are:

Craig Davies (TE)	Barbara Bishop (RE)	Robert Browning (RE)
Ann Graham-Johnson (TE)	Barbara Darby (RE)	
Karen Hardesty (RE)	Ruth Elswood (TE)

Know that your Support Team is committed to do its very best to fulfill the presbytery’s mission *“to support our faith community, so that together we are a greater witness to the gospel of Jesus Christ!”*
