PRESBYTERY SUPPORT TEAM Statement of Work

The Presbytery Support Committee offers support and care to sessions, staff, pastors, Christian educators, and congregations. Our mission is to provide companionship and guidance in times of stress, conflict, grief, or discord. We are also a resource for encouragement, creativity, connection, acknowledgement, and comfort in times of transition. Our members are equipped in active listening, conflict resolution, mediation, counseling, family systems, and pastoral care. Team members accompany others on the Christian path for the body of Christ as it is lived out in the Presbytery of St. Augustine.

Organizing Structure
